Dear Parents/Carers,

Firstly I want to thank you for your patience and understanding on Monday when we had to close the school. The closure was necessary due to a major electrical fault which needed the National Grid to come and rectify.

This week our Year 2 classes got the opportunity to go a Christmas workshop at St Martins Church. It was an amazing interactive experience, where they were told a dramatised version of the Christian Christmas story which took them on a journey using props and different images.

Also this week some of our Year 5 children visited Societe Generale as part of Enabling Enterprise. The children showed their exemplary behaviour which was noted by a member of the public who emailed the school to praise how well the children had behaved on the tube. We are very proud of the children who attended. Well done.

The parents evening dates are being released next week. I hope you are all able to book a slot and take the opportunity to hear about your child’s progress. You will be notified when the bookings open.

Please remember that the HSA are currently collecting donations for Secret Santa and these can be left in the boxes near the entrances. The items required have been displayed on the information sent via ParentMail from the HSA. The HSA have also organised a Mufti Day for Friday 30th November and are asking for chocolate donations, which are going to be used at our school Christmas Fair on Saturday 2nd December.

Hope you all have a lovely weekend,

Frieda Perry

Head Teacher

Hatfeild has been chosen as one of New Malden Tesco Extra’s charitable causes. This means the more blue tokens we get, the more money the school receives! The scheme runs until the end of January so please don’t forget to collect your tokens when you’re next there.

We have also been chosen as one of Grand Drive Co-op’s charities. Co-op members need to sign in and vote for their 1% charity contribution to go to Hatfeild. The link to do this is as follows - https://membership.coop.co.uk/causes/21135

### Enabling Enterprise Trips

Some of the children in Year 5 have had the opportunity to visit two businesses over the last week to find out first-hand how a big company is run and the skills needed to succeed in business. One group of children visited the offices of Societe Generale, a finance company in Richmond, whilst another group visited the Head offices of Royal Sun Alliance which is based in the ‘cheese grater’ building in London.

During both of these trips, the children were put into teams to create a business idea and use key skills to create a product or service which they then had to pitch to a team of ‘investors’. All the adults present, including one of the chief executives of RSA, agreed that the Hatfeild children had all worked with great determination and confidence. The children really did show that they have the potential to be the entrepreneurs of the future.

As always, the children represented the school brilliantly and gained much from the experience. They are now eager to use the skills practised on these trips in their own classrooms.
