Dear Parents/Carers,

Even though we have been back in school for a week now, I want to begin by wishing you all a very Happy New Year. The children have been settling back into school life and are ready for a new and busy term of learning.

I would like to extend a warm welcome to the new families that have joined us this term and welcome three new members of staff to Hatfeild, Mrs Levi our new nursery teacher joining the team, Mrs Bell covering maternity leave in year 5 and Mrs Betts who has joined the office team.

Please also note that there are a number of new clubs that are beginning this term, so if your child would like to try something new, please ask at the office for more information. There are details on the last page of the newsletter.

We have lots of exciting learning experiences to look forward to this term which will help the children continue to make progress.
