Dear Parents/Carers,

This week was Children’s Mental Health Awareness Week. The children seemed to love coming into school in their comfy slippers/shoes and funky socks on Monday. We have raised the children’s awareness of this important message through assemblies and lessons in class this week.

Following on from the success we had last year we have started preparations this week for Enabling Enterprise week which is next week. Each year group will be working on different projects within their groups encouraging them to work within a team, aiming high, staying positive and sharing ideas. The children are getting very excited about their projects and learning some different skills for the week. Please ask your child about what their project involves. I’m sure it will be a very exciting week.

Last but not least a gentle reminder that Friday 15th is an Inset day, therefore the school is closed for staff training.

I hope you all have a lovely weekend,

Frieda Perry

Head Teacher

On Friday the 1st February 2019, our Yr 5 and 6 Gymnastics team attended the Merton Borough Gymnastics Tournament. There were 23 schools from across the borough participating and the atmosphere was electric at Mitcham Leisure Centre.

Each team member had to compete in 3 disciplines: floor routine, body management and vault. The competition was tough and the level was really competitive.

Hatfeild's gymnasts (Kymani, Tiarna, Kasia and Allesandro) represented Hatfeild delightfully and they should all be very proud of their achievements.
