Dear Parents/Carers,

It’s amazing to think we are already half way through the term, this week the children have been very busy with Enabling Enterprise Week and have all got stuck in with their different mini-projects.

Parents of children in Nursery and Reception were invited to the children’s bake sale to buy bakery goods that they had made themselves. I hope you all enjoyed being part of this and seeing what your children have been doing.

Years 1 - 2 have been busy creating some amazing art pieces, Years 3 - 4 have spent the week designing toys from recycled materials, Year 5 have been publishing their own newspapers and Year 6 have been setting up their own businesses.

I have felt very proud as I’ve walked around the school this week to see the children so enthusiastic about learning new skills and doing something different.

I hope you all have a lovely half term break, and come back feeling refreshed and ready for the new term.

Frieda Perry
Head Teacher
