Dear Parents/Carers,

On Wednesday, Year 3 parents were treated to a family assembly about The Stone Age, the children all did really well and the parents enjoyed looking at their work after.

On Thursday we held our tag rugby festival with children from Reception through to Year 6 taking part. The event was enjoyed by all; we were thankful the weather had brightened up by lunchtime to allow some of the year groups to go outside for their session. Thanks also goes to the staff and visiting adults who helped make the festival a success.

Today we have participated in the Red Nose Charity event; the children and staff all looked very colourful in their red outfits/accessories. We would like to thank you for your continued support in donations and will update you on how much we have raised for Red Nose Day in next week’s newsletter.

I hope you all have a lovely weekend,

Frieda Perry

Head Teacher

Yesterday the Wimbledon Rugby Club came in to Hatfield to help host our annual Tag Rugby Festival. This event includes all year groups getting involved in rugby skills and matches from Reception all the way through to Year 6. Unfortunately due to heavy rain in the morning, KS1 had to move inside to the hall. The competition was really tight this year and was only separated by one point between 1st and 2nd place, however it was Nelson that came out victorious on the day.

A special thank you to Dave Poynter and his band of merry men from Wimbledon Rugby club who refereed the 3 different pitches and supervised the younger years with some fun skill-based games. We hope to have inspired the children to have a love of the game.
