Dear Parents/Carers,

It has been fantastic to see so many parents attending our two parent evenings this week. I hope you were all able to meet with your child’s teacher to discuss their work and progress. The Spring term is the perfect time of year to see and hear about your children’s hard work and progress so far, especially as you get a chance to read their topic books and see what they’ve been learning in class. It’s also encouraging for the staff to see how much you care about the children’s progress.

It was great to see that the food taster sessions were such a success, parents/carers, staff and the children all really enjoyed the new menu choices. The cost of a school dinner is £2.05 per day, £10.25 per week, Reception - Year 2 are entitled to free school meals. If your child would like to try school dinners please let the office know.

I know the children have shown a lot of excitement about the Easter egg design competition that we are holding next week, some of their designs sound fantastic and I will look forward to seeing them all next week.

Just a reminder that we finish for Easter break next Friday at 1.30pm.

I hope you all have a lovely weekend,

Frieda Perry

Hatfeild Easter Egg Design Competition!

Design a hard-boiled egg with a decoration of your choice. This could be a funky pattern or turn it into an ‘egg-citing’ character!

The five judging categories will be:

- Nursery + Reception
- Key Stage One
- Lower Key Stage 2
- Upper Key Stage 2
- Parents

Please bring your eggs into school on Tuesday 2\textsuperscript{nd} April 2019 (not before please.)

Judging will take place on Thursday 4\textsuperscript{th} April.
Merton Borough Finals – 8th March 2019

On Friday the 8th March 2019 four of Hatfeild’s swimmers went to represent the school in the Merton Borough Finals. They were part of the team that had already competed in the Raynes Park Cluster Gala, but qualified with their times to go on and swim in the finals.

Lily finished 1st overall and Noah 2nd overall in the cluster event, so it was all to swim for at the Finals.

They were great representatives for Hatfield and all tried their very best. Congratulations to Noah, who bought back the Bronze for his race.

Well done to Noah (Year 4), Lily, Maggie and Ruben (Year 5’s), we are all so very proud of your achievements.

Merton Schools Challenge Run

Well done to all our children who ran in the Merton Schools Challenge Run on Friday 22nd March. It certainly was challenging with almost 2 laps around Joseph Hood Recreation Ground and in very muddy conditions.

Congratulations to Sophie P in year 5 who came in the top 10 out of about 200 children for the second year running.

Well done to all who took part.

KS2 Cheerleading Competition

On Monday the KS2 children who are involved in the after school Cheerleading club on a Monday, took part in the Unity Allstars Cheerleading competition at the Harris Academy in Morden.

After a quick rehearsal, the girls sat with the 13 other squads taking part and waited to be called. They were third in the listing, and went out confidently and as a team. They did the whole routine with no mistakes, all worked really well together and managed all the lifts perfectly. After watching all the other routines we had an anxious wait for the result. Hatfeild came first in the Primary Novice category and were over the moon!!! This is the first term they have ever competed and they won. Brilliant!

Girls we are so proud of you all! Here’s to next term!

Yesterday we were lucky to have a visit from Ray Stevens, an Olympic Silver Medalist in Judo. He came and talked to us about his achievements, even bringing in his Olympic torch he had run with and his Olympic Silver Medal. He demonstrated some of the techniques he teaches in his Academies and the children enjoyed these immensely! Please see below details about his club and feel free to make use of the trial session being offered to your child.
