Dear Parents/Carers,

Our theme for assembly this term is ‘living in the wider world’. This is being aimed at all the children to help them become good citizens now and in the future. We will also be looking into, environmental issues and core values that everyone must keep to, this will hopefully be of benefit to all.

Please can I also remind you all that no children should be within the school premises unsupervised before 8.35am. There are no teachers/adults outside supervising the school grounds before this time and therefore involves a health and safety risk for your child.

I hope you all have a lovely weekend,

Frieda Perry
Head Teacher

**Health and Safety Reminders**

With the safety of everyone on the premises in mind we must ask that you do not allow your children to play with balls or ride scooters /bikes on the school premises either before or after school. Please can we also remind parents/carers that the gate leading to the staff car park is not for general use, this provides access for pupils in Rosen and Seuss classes only.

Thank you for your co-operation.
