Dear Parents/Carers,

This week we are very proud of our Year 2 and Year 6 children, both years have been busy doing their National SAT’s. Year 6 have now finished and Year 2 carry on next week, I’m sure they will do well, we are proud of you all.

On Wednesday it was so lovely to see so many Year 1 Parents supporting us and coming along to the Phonics Workshop, it’s always lovely to see a good turn out and support for the school/children.

Just a reminder that children are allowed to bring in a pocket-sized toy to play with but we do not take responsibility for the items if lost. Trading cards and balls of any size are not to be brought into school.

I hope you all have a lovely weekend,

Frieda Perry
Head Teacher

Parent Governors

One of our parent governors, Quang Nguyen (known to many as ‘DQ’) has just come to the end of his four-year term of office. DQ has brought us significant finance and business experience which has been tremendously beneficial over this time.

We are pleased that DQ has indicated that he would be willing to serve a further term, but we are also obliged to give others the opportunity to stand also. If anyone else has similar skills - and would like to find out more about this role, then please contact the school office who would be pleased to put you in touch with one of our current parent governors. In the event of receiving other nominations then we would be required to hold a ballot amongst parents. Please note any nominations should be received by Friday 24th May.

Mick Bradshaw - Chair of Governors

Some of you may have noticed that we are now sending our forms for completion electronically via the ParentMail facility. Please check your emails for notifications that you have received a new form or check your app under the forms section to keep abreast of all new forms that need to be completed.

This method of sending forms for permission for trips etc is a very quick and efficient way for the school to keep track of all replies, however, this will only be effective if parents and carers keep on top of their emails.

The facility is also reducing the amount of paper copies that we generate which in turn saves money and the environment. Should you have any difficulties with the forms or ParentMail please contact Mrs Fullalove in the School Office who will endeavour to help you.
