Dear Parents/Carers,

On Monday this week our Year 3 children were the first year group to undertake an away from school learning experience on their trip to Kew Gardens. The Year 3 topic this term is ‘The Rainforest’ and they all enjoyed experiencing a little of what it would be like to be there, when they attended a talk in one of the tropical hot houses. They were a credit to the school and behaved excellently by all accounts.

Next week it is the turn of Year 2 who are off to the London Eye as part of their topic on ‘London’. I am also sure that we have many excited Year 4 children who will be packing their cases this weekend in preparation for their residential trip to Sayers Croft in Surrey for three days next week.

It was excellent to see so many of you at this week’s “Keeping Your Child Safe Online” meetings. Thank you for taking the time to attend. In total we had 86 families attend which is wonderful, and I hope you all found it useful and informative. There is further information attached to the newsletter this week that I urge you to read on this topic.

Finally, please remember that next Friday is an INSET day so the children are not required to attend school.

Hope you all have a lovely weekend,

Frieda Perry
Headteacher

Just to let you know that Home Away is now FULL. There is a waiting list for Reception to Year 6.
Celebration Assembly
this week’s awards go to..

Year 1: Kira, Parker, Caleb, Amber

Wednesday 17th Flu Immunisations - Reception to Year 6
Monday 22nd - Friday 26th Half Term

Surrey Youth Music Theatre: AUDITIONS – SATURDAY 22ND SEPTEMBER and TUESDAY 25TH SEPTEMBER

It’s that time of year again where we are accepting applications from new students to join Surrey Youth Music Theatre for 2018/19. Information on all auditions, and how to register your interest is available on our website. We would be extremely grateful if you would display / Give out our leaflet within your department to your students, who may be interested in coming along to audition. Surrey Youth Music Theatre have three new exciting classes for children and we are looking for students aged 8-21 years old to be part of our productions next year. We are holding final auditions for two of these productions, as our prep+ group and footloose is now at capacity

Productions are:

CHICAGO: SYMT Seniors (16-21 year olds): Auditions on Tuesday 25th September at Guildford County School

BUGSY MALONE: SYMT Prep Afternoon class (8-12 year olds): Auditions on Saturday 22nd September at Guildford County School

Surrey Youth Music Theatre are extremely proud that we are approved as a Registered Exam Centre with Trinity College London. (Registered Exam Centre 63191). This means our students are able to take graded examinations with Trinity College London, earning valuable UCAS points for college / University applications, and every student from September will be awarded a Musical Theatre in Production certification!

Students who may be interested in joining Surrey Youth Music Theatre should register for an audition by visiting our website www.surreyyouthmusictheatre.com/auditions where they can complete an online form for the relevant production and receive information required for the Audition.

Auditions are completely FREE!

CCTV camera enforcement

Merton’s Parking Enforcement Department will be enforcing a systematic surveillance of school zig zag yellow lines on road at entrances with both portable and static CCTV camera’s outside all schools in the Borough. This will commence after the October half term break. Offending vehicles will be issued with Penalty Notices so it is important that all parents and visitors are made aware of this initiative.
Please take two minutes to read the below and see how you could raise £££ for Hatfeild at NO COST to yourself and only 5 seconds of your time.

The Giving Machine

The Giving Machine is based on a simple but powerful idea – making giving free and easy for you. Simply shop as normal and earn £££ for Hatfeild at no extra cost.

1. You buy something at one of your usual online shops.
2. Your purchase automatically generates a sales commission.
3. As a charity and not-for-profit organisation, the giving machine turns the commission you’ve generated into a charitable donation and passes it on to Hatfeild.

Whilst you’re waiting why not take out your phone or Ipad and install the automatic reminder now, this means that every time you shop at a participating website you will automatically generate commission. For example Sainsbury’s will donate 70p for every grocery shop over £40, your weekly online groceries could raise £35 a year!

Please note the HSA cannot see the websites you’ve visited, what you’ve bought or how much you’ve spent - we only know whether you are an active giver or not. Your shopping will not cost you a penny more than normal.

For iPhone, iPad and Android phones:
Please search the app store for ‘shop&give’:

To install on your desktop when you get home:
https://www.thegivingmachine.co.uk/shop-and-give/

So far Hatfeild has raised £1,000 over 5 years from 15 active users, imagine how much we could raise if everyone signed up!

This is FREE MONEY for your children’s benefit, as a school we should be raising THOUSANDS of pounds a year - the children are missing out! Other local primary schools are benefiting from up to £5,000 of FREE CASH every year.

Thank you for your time and for signing up!
