Dear Parents/Carers,

On Tuesday this week, we had the Fair Funding meeting which was a huge success. We had parents represented from 14 different schools in the borough, and heard from some excellent speakers on the issue of school funding. If you’d like to find out more, please find either Hina Bhokari or Pamela Bentley in the playground.

On Tuesday we had a visit from an Olympian athlete who led our assembly. She was very inspiring whilst sharing her story, and I’m sure we’ll see a number of our Year 4’s and 5’s taking up the free hockey sessions being offered this term.

We have heard from the HSA this week that the school disco’s raised just over £1000 which is an amazing amount! Thank you to all those who attended. Tonight it is our annual HSA quiz night at 7.30pm. I believe there are still spaces available if you would like to be on a team, so please ask at the office or anyone on the HSA for more information.

Please may I remind you that for safety purposes, children should not ride scooters, play football or climb on the apparatus before or after school. Thank you for your cooperation.

Hope you all have a lovely weekend,

Frieda Perry

Head Teacher

---

**Coming up next week**

Friday  Dramacadey  (Years 1, 2 & 3)

We will be starting a new Creation Station club on a Monday after school for Years 1 - 6. Please keep an eye out for further information.
Year 3/4 Football Festival

On Tuesday the 6th of November the year 4 football team went to compete in the Raynes Park Football festival. There were eleven teams competing and the emphasis was on the enjoyment of football on the day. We played 5 matches against some very strong teams, and we won two, lost two and drew one game. Well done to Riley, Tiani and Ruari for scoring some great goals and to the rest of the team for showing great sportsmanship and really enjoying their football. A special thank you to Andre and the Playleader team for coaching during lunches.

GB Olympic Gold Medallist, Christa Cullen, comes to inspire Hatfeild!

On Tuesday the 6th November, we were very lucky to be visited by a GB Olympic gold medallist, Christa Cullen. She played for England’s winning team in the 2016 Rio Olympics, bringing home the gold for Great Britain. She spoke of her experiences of winning at the Olympics and the highs and lows of playing International sport. Quick Sticks Hockey are moving around to various schools to inspire a love of hockey, and we are very lucky to have been offered free hockey training for Year 5 pupils at lunch time, and Year 4 are being offered the training during their PE lessons this term. We hope that seeing someone who only picked up a hockey stick at 9 years old, can go on to achieve at the top level. Who knows, maybe one of our pupils will return to present an assembly one day!
